

## **About Us**

Aschiana (meaning "The Nest" in Dari) is not-for-profit, non-political and non-governmental organization founded in 1995 in Kabul, Afghanistan, to address the urgent needs of street-working and war-affected children in Afghanistan.

It registered under Ministry of Economy with registration number 388. Aschiana is working for the cause of marginalized, vulnerable and deprived communities and in particular for the uplift of children, youth, women and their communities at gross root level.

For decades, Afghanistan has endured armed conflict, economic instability, and displacement, leaving millions of children and families vulnerable to poverty, exploitation, and lack of access to basic services included education, healthcare and livelihood opportunities. To address such challenging issues, the organization has successfully accomplished multiple projects and programmes in various sectors such as education, child protection, GBV, youth empowerment, livelihood and skill development, nutrition, food security, health, emergency relief and assistance and other similar projects and programmes. Aschiana is actively addressing the issues of the most vulnerable and deprived children and women in the communities through both "need-based" and "rights-based" approaches.

## **Our Vision**

"An Afghan society, where vulnerable children, women, youth, persons with disabilities, and marginalized communities are empowered to achieve self-sufficiency, dignity, and resilience."

Through sustainable poverty reduction, community-led development, and protection from exploitation, every individual particularly children and women can thrive in safe, inclusive environments for better survival.

We envision communities capacitated with disaster preparedness, committed to environmental stewardship and resilient to the impacts of climate change, creating a healthier, more equitable future for generations to come.

#### **Our Mission**

To empower vulnerable children, women, youth and communities through education, skills training, and access to resources, enabling them to achieve self-sufficiency and long-term growth.

To implement sustainable programmes aimed at reducing poverty and improving the quality of life for marginalized communities.

To provide immediate support and long-term recovery assistance to communities affected by natural and man-made disasters, fostering resilience and preparedness for future crises.

To promote community-led initiatives that support health, education, livelihoods, agricultural development and economic development, fostering environments where all members can thrive.

To actively prevent trafficking in persons / human trafficking and other forms of exploitation by raising awareness, advocating for policies, and providing resources, immediate and long-term services and support to affected and at-risk populations.

To empower persons with disabilities, and other marginalized groups through inclusive education, skills training, and access to resources, enabling them to achieve self-sufficiency, dignity, and long-term growth.

To address the impacts of climate change by supporting community resilience, promoting sustainable practices include agricultural practices, and protecting natural resources, ensuring a healthier environment for future generations.

- Humanitarian Principles (Humanity, impartiality, neutrality, independence, voluntary service, unity and universality)
- Transparency
- Dignity
- Safety
- Equity
- Team Work

# **Key Focus Areas**

## i. Education:

Since the inception, Aschiana is providing education services to underprivileged and affected children both girls and boys through community-based and empowerment approaches. Our education programmes comprise of education in general, education in emergencies, out-of-school education, integration into public schools, school sponsorships, school meals, skills for adolescents and skills-based literacy. Thousands of children are benefited so far from the community-based interventions for accessing the quality formal and informal education.

# ii. Protection:

For more than ten years, Aschiana is actively engaged in provision of protection services, especially child protection and GBV services across the Afghanistan. Our services include protection in general, child protection, gender-based violence, protective spaces for children and women, family re-unification and re-integration, birth registration, legal assistance and access to justice, prevention of and response to violence, prevention and response to counter trafficking in persons, protection advice and support, protection in emergencies and registration and profiling. Our approach is to provide these protection services community-based approach and our working modality is to create awareness and education among the masses, build capacities of stakeholders, provision of mental health and psychosocial support and focused services, comprehensive management services and strengthening effective referral mechanisms. These services have impacted the lives of hundreds and thousands of children, women and their families so far.

# iv. Social Policy and Advocacy:

Due to continuous and complex crises in Afghanistan, the Afghan population is severely suffering from the issues of social protection and multi-dimensional poverty. Aschiana supports its communities through provision of different services such as cash-based transfers, winterization aid, awareness and education and advocacy with stakeholders. Since 2022, more than forty thousand deprived community members are benefited from multi-purpose cash assistance and winterization aid programmes.

## iii. Livelihoods:

For decades, Aschiana is implementing livelihood programmes through stand-alone projects as well through integrated programmes for underprivileged and affected communities, in particular with vulnerable and affected women, the family members of vulnerable children and women-headed families. The aim of these interventions is to support better livelihoods income-generation of the target communities on self-help basis. The services included cash and grant assistances, technical and vocational education and trainings, co-existence with communities and community mobilization and self-management. The livelihood interventions have created significant impact on lives of the thousands of families in particular among the lives of women and youth.

## vi. Nutrition:

The primary aim of the nutrition program is to promote sustainable, equitable access to nutritious food and to improve overall health and well-being, particularly among vulnerable populations, including children, women, and marginalized communities. It further envisions for the reduction of malnourishment among children under 5 years and pregnant and lactating mothers. Aschiana support impactful approaches to address the nutrition issues in Afghanistan through community-based nutrition programmes, capacity building of stakeholders, partnerships and collaborations, monitoring and evaluation and promoting sustainable food systems.

## v. Health:

The main aim of the health program is to provide accessible, quality healthcare services to underserved populations, enhance health literacy, and reduce health disparities through targeted interventions and community outreach. This is done through preventive healthcare, health education and awareness, access to quality healthcare services and mental health support.

## vii. Durable Solutions:

For more than four decades, Afghanistan is witnessing the continuous massive movement of population due to wars and natural disasters. The Afghanistan population comprises the significant number of internally displaced population, returnees and migrants. For the promotion of peace and stability and for maintaining social cohesion and prosperity, Aschiana is in view and struggle for integration, reintegration and resettlement of affected communities through community-based multisectoral interventions.

## **Cross Sectoral Areas**

- i. Communication for development
- ii. Disability and inclusion
- iii. Emergency preparedness and disaster risk reduction
- iv. Emergency response and management
- v. Gender equality and women empowerment
- vi. Youth empowerment and peace building
- vii. Monitoring and evaluation
- viii. Training, capacity building and capacity development

# **Our Target Groups**

Our target groups comprise of vulnerable, affected and deprived communities in particular children, women, youth, persons with disabilities and their families.

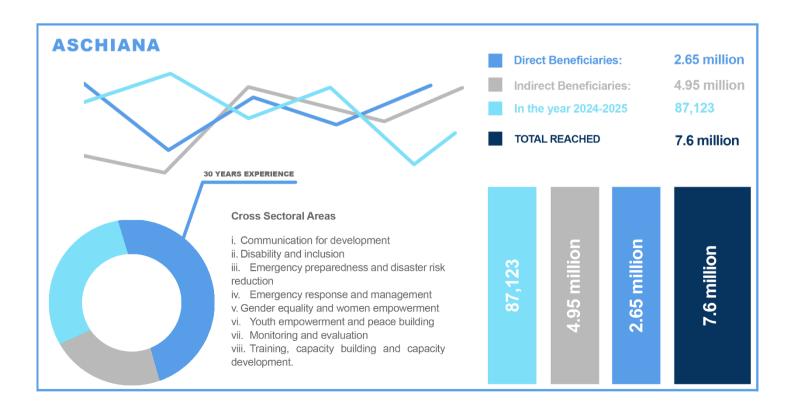

However, our main population of concerns are:

- → Vulnerable and affected children such as street children (labors and beggars), IDPs / Returnees communities and their children, unaccompanied, unprotected and separated children, children in conflict and in contact with law, drug addict children, orphans, children at risk or victim of sexual exploitation or survivor of violence, victims of human trafficking and children and their families with poor socio-economic conditions.
- → Vulnerable and affected women and their families such as GBV survivors and/or at risk of violence and victimization, woman headed families widows, IDP / Returnees vulnerable women (at risk of exploitation), women and their families with poor socio-economic conditions and women in prisons

## **Beneficiaries**

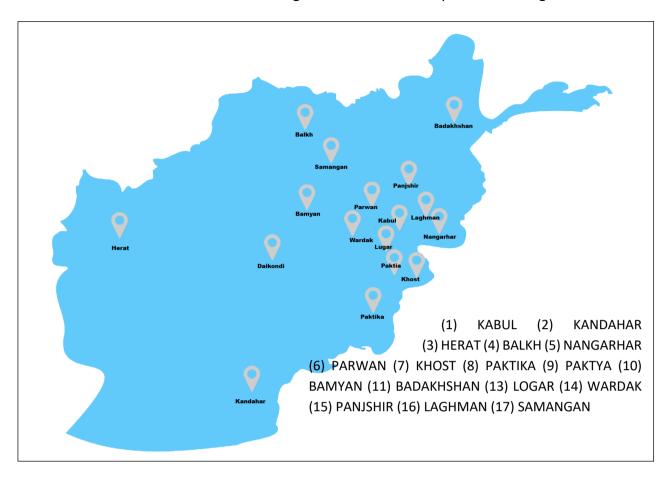

For a last 30 years, our initiatives have directly impacted on lives of more than 2,650,000 children, youth, women and their communities across the Afghanistan.

Just in year 2024-2025, Aschiana successfully served around 87,123 persons Including majority number of children, women and youth in Afghanistan.

# **Geographical Reach**

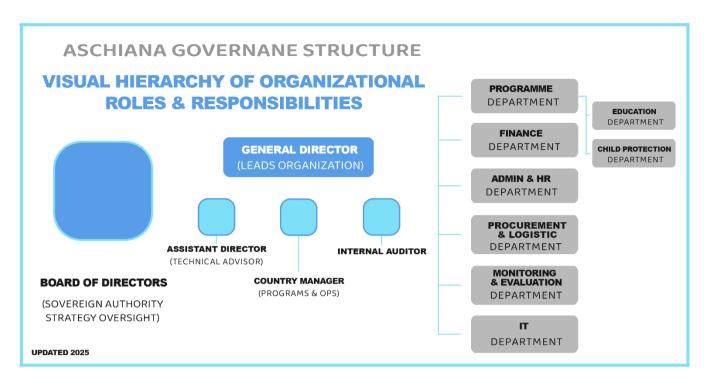

Aschiana has worked and has been working in more than sixteen provinces of Afghanistan.

## Governance

Aschiana operates under the supervisory of and in consultation with Board of directors. The Board of Directors is a sovereign and authorized body in all affairs of our organization. It meets twice a year and determines strategies and principles of the organization and evaluates the work results of the Executive Board.

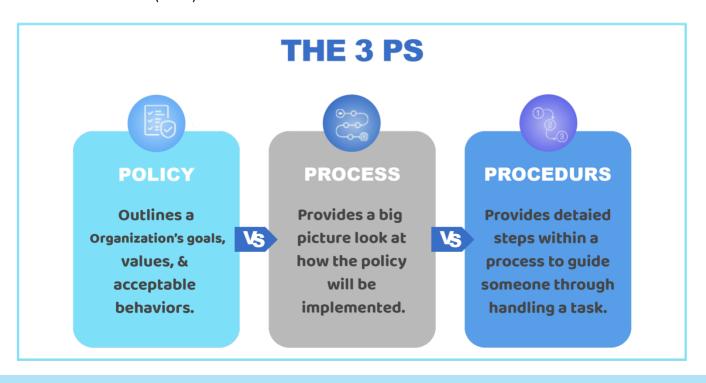

The overall policy guideline and oversight is provided by the Board of Directors. The board comprises experts, professionals and academics. The Board of Directors advise the Executive Director of Aschiana in all organizational and welfare matters. They are also raising funds internally and outside of Afghanistan. The Executive Director supported by core management team comprises of Assistant Director (Technical Advisor), Country Manager (Programme & Operations), personnel from Programme, Monitoring and Evaluation, Finance & Procurement, Administration and Human Resource Departments have the overall responsibilities to manage the organization and ensure programme, operational and administrative implementation and delivery of the services for achieving the goals and objectives of organization from its head office situated in main Kabul City, Afghanistan.

## **Policies and Procedures**

In order to facilitate the work detailed guidelines and procedures have been devised and developed and introduced to ensure highest professional standards, transparency and openness and consistency. These policies and procedures are practiced both at organizational level and at field level while interacting the target communities. Aschiana's policies and procedures can be evident in the following documents:

- 1. Monitoring and Evaluation Manual
- 2. Human Resource Manual
- 3. Finance Manual
- 4. Procurement Manual
- 5. Protection from Sexual Exploitation. and Abuse (PSEA) Manual
- 6. Child Safeguarding Policy
- 7. Accountability to Affected People / GRM
- 8. Environment and Sustainability Manual
- 9. Anti-Fraud
- 10. Risk Management
- 11. Information Technology

# **Basic Education Programme in Kabul**

Aschiana provides basic education for illiterate and dropout street-working children and those in IDP camps, preparing them to rejoin public schools. The curriculum includes Pashto, Dari, math, and religious studies. Over 1,250 children attend classes daily in Kabul.

#### **Impact & Achievements:**

- Educated 1,250+ children daily in Kabul and Nangarhar.
- Reintegrated thousands into public schools.
- Taught literacy, numeracy, and essential subjects.
- Supported displaced children in resuming education.
- Fostered a safe, supportive learning environment.

The program empowers vulnerable children with the skills and confidence to pursue formal education.

# Child Protection & GBV (2023 – 2024)

Aschiana provided critical community-based protection and support services to over 46,420 vulnerable individuals, including 44,050 children, 970 women, and 1,400 youth across Kabul and Parwan provinces.

#### **Key Impacts Include:**

- Improved Mental & Psychosocial Health through MHPSS services in child- and women-friendly spaces, as well at community level through decentralized way.
- Timely Protection via comprehensive case management and referrals to medical, legal, and social services, including cash assistance.
- Economic Empowerment through vocational trainings and small business grants.
- Increased Awareness of child protection, GBV, and health issues at the community level.
- Strengthened Workforce by training frontline workers on child protection, GBV, MHPSS, and related topics.
- Social Reintegration support for unaccompanied children, youth in conflict with the law, and vulnerable women in juvenile rehabilitation center and women prison in Kabul.

# **School Sponsorship Programme**

Aschiana's School Sponsorship programme helps street-working children reintegrate into government schools with the support of individual donors. Each sponsored child receives \$30 per month for educational expenses, reducing their need to work and enabling them to focus on learning. Social workers identify eligible children and ensure their families commit to keeping them in school.

#### **Impact & Achievements:**

- Currently supports 55 children in Kabul.
- Over 13,000 children have graduated high school since 2003.
- Many graduates have pursued higher education and stable jobs, becoming self-reliant and supporting their families.

The programme empowers vulnerable children to focus on education and build a brighter future.

# **Women & Youth Empowerment**

For nearly 30 years, Aschiana empowers women, higher-age girls, and youth through vocational training in Kabul, Parwan, Nangarhar, Paktiya, Herat and Balkh provinces. Programme include:

Women & Girls: Tailoring, embroidery (6-month courses)

Youth: Carpentry, cooler repair, shoemaking, electricity, plumbing (6-month courses)

Graduates receive toolkits to start businesses and are connected to market opportunities.

#### **Impact & Achievements:**

 Over 15,600 beneficiaries have gained marketable skills and started businesses in different provinces of Afghanistan.

Aschiana's efforts promote financial independence, reduce poverty, and foster economic stability.

# **Sports Development Programme**

Aschiana promotes sports as a vital part of child development, providing training in football, basketball, volleyball, and judo for street-working children. Many participants have competed nationally and internationally, earning awards and recognition.

#### **Impact & Achievements:**

- Trained 150 sports teachers for the Ministry of Education.
- Athletes won medals in regional judo tournaments, including gold and bronze in Bangladesh (2015) and Tajikistan (2017).
- 32 football players joined Afghanistan's National Football Team since 2002.
- Trainers attended international workshops in many countries, enhancing sports education in Afghanistan.

Aschiana continues to empower children through sports, fostering physical fitness, social inclusion, discipline, confidence, and leadership.

# **Mobile Library Programme**

Aschiana's mobile libraries promote reading among children in IDP camps and Juvenile Rehabilitation Centers in Kabul. Storytellers read to non-readers and distribute books, fostering literacy and a love for reading.

#### **Impact & Achievements:**

- Reaches 1,200 children monthly in Kabul.
- Distributed over 10,000 books, promoting literacy.
- Helped non-readers develop reading skills.
- Provides safe learning spaces for displaced children.

The programme nurtures literacy, education, and a reading culture in underserved communities.

# **Youth Empowerment & Peacebuilding**

Since 2010, Aschiana has empowered youth in Kabul, Mazar, and Nangarhar through leadership, peacebuilding, and vocational training programs. Youth groups, including male and female members, collaborate with local leaders to foster social harmony and community development.

#### **Impact & Achievements:**

- Established more than 20 youth groups in three provinces to promote peace building and community engagement.
- More than 2,000 youth volunteers received capacity building trainings on leadership, professional, managerial skills and job placement
- Youth volunteers organized and conducted community campaigns, environmental campaigns, sports events
- Youth volunteers organized and conducted community dialogues / group discussions with women, youth & children
- Youth volunteers organized and conducted global days to raise awareness.

The program fosters youth leadership, social cohesion, and economic empowerment.

# **Art-Based Therapy**

Aschiana uses art therapy to help traumatized children heal through creative expression, offering activities like painting, calligraphy, and miniature art. The programme also provides training to help participants develop artistic skills for income generation.

#### **Impact & Achievements:**

- Thousands of children trained in art therapy, including street-working children and university students.
- Participants have showcased artwork in national and international exhibitions, earning awards and recognition.
- Notable achievements include winning art competitions in Egypt, Italy, South Korea, and Romania.
- Artwork selected by UNDP and the Ministry of Interior for child rights calendars.

The programme fosters emotional healing, creativity, and financial empowerment through art.

# **Female Literacy Programme**

Aschiana provides literacy and education support to higher-age girls and women through Accelerated Learning Programmes (ALP) and home-based education in Kabul, Mazar-e-Sharif, and Nangarhar. The programme helps those who missed out on formal schooling due to social or economic barriers.

#### **Impact & Achievements:**

- Educated over 18,000 girls since 2003 through ALP.
- Reaches 170 learners in Nangarhar with home-based education.
- Trained thousands of female teachers to support literacy initiatives.
- Established community-based education centers in remote areas.
- Offers vocational training to help women gain practical skills and economic independence.

Aschiana empowers women and girls with literacy and skills, promoting education and gender equality.

## **Health Services**

Aschiana provides free medical care, check-ups, and health education to vulnerable children and families at its Day Care Center in Kabul and IDP camps. Additionally, Child-Friendly Spaces in hospitals offer psychosocial support to children undergoing medical treatment.

#### **Impact & Achievements:**

- Provides life-saving healthcare to children in IDP camps.
- Distributes winter relief supplies, including medicines and warm clothing.
- Offers psychosocial support (PSS) to children in hospitals and community centers.
- Conducts health education on hygiene, nutrition, and disease prevention.
- Partners with hospitals to expand healthcare access and emotional support.

Aschiana's health initiatives ensure medical care and health awareness for vulnerable communities.
